WORK

OnMessage, Designer

(2014–present) Dallas, TX

Worked on an average of 2-6 different projects daily with quick turn deadlines. Collaborated with other designers and account managers under the direction of several creative directors. Clients included AmerisourceBergen, a global pharmaceutical corporation on the Forbes top 20 list, Susan G. Komen of North Texas, Transplace, Hilltop Securities (Capital Plains Bank), LALA US (Borden Dairy), World Courier, and more.

Projects included:

Logos	Brochures	T-shirts	Presentations
Ad Campaigns	Infographics	Environmental	Animations
Websites	Event Branding	Interactive PDF's	eLearning Modules
Emails	Retouching	Packaging	Tradeshow Booths

SMH Capital Advisors, Graphic Designer

(2013–2014) Fort Worth, TX

Promoted from an intern to a full-time employee upon graduation from college. This promotion entailed more responsibility to work independent of supervision. Major projects included creation and implementation of the company's brand standard guidelines, as well as a complete redesign of the current website.

Freelance Designer

(January 2011–Present) Dallas, TX

Commissioned for a variety of projects including logos, web design (front and back-end), Android UI, t-shirts, flyers, posters, environmental, invitations, and even senior portraits. Clients have included CenseoHealth, Flagstaff Extreme, Caruth Police Institute, Earthwise Pet, TK Motivational Speaker, and more.
